Dear [Redacted]

STAT

It is my pleasure as permanent chairman to extend to you and the members of your staff my appreciation for the interest and hospitality shown by your organization to the visiting membership of the Joint Chiefs of Staff Working Party on Ground Photographic Intelligence. I sincerely regret that other duties kept me from accompanying the group for their April 20th visit to [Redacted]

My own personnel who participated, as well as the representatives' reports from the other services and agencies, are all of an accord in their enthusiasm for their treatment as your guests, and more significantly, for the scope of vision and the imagination demonstrated in your technical presentations. I do know that my own people have been relaying data on several of your projects to interested persons, and I am most certain that you or your representatives will receive specific inquiry reflecting areas of service or agency needs.

My sincere thanks, both personally and officially, to you, to [Redacted] and to all the many others of your staff who combined to make the day such a pleasant and profitable one for our group.

Sincerely,

A. C. Lundahl
Chairman
